

**Announcement of Field Trips for California State Legislators
to Vernal Pools in Mather Field, Sacramento County
April 26 & 27, 2001**

Dear Member of the Sacramento-based New Services

We would like to invite you to join members of the California Native Plant Society on one of two field trips being hosted for members of the California State Legislature and their staff. The attached invitation was delivered to all members of the State Senate and Assembly, and will give you an idea of what you will see.

These field trips will give Legislators and their staff a chance to learn first hand about one of California's endangered natural ecosystem. Informed tour leaders will be available to answer your questions about the vernal pools and their component species.

Please contact the Sacramento Office of the California Native Plant Society if you would like to attend, or call me if you have any questions about these trips. Our address is 1722 J Street, Suite 17, Sacramento, CA 95814, phone: 916-447-2677, email: cnps@cnps.org.

We hope to hear from you.

Sincerely,

Allen Barnes
Executive Director
